## Authorization for Medical Treatment

This release and consent gives Youth for Christ (YFC) permission to take my child to the nearest available medical facility and have any necessary emergency treatment administered.

I understand that every effort will be made to contact me. However, in case of an emergency, if I cannot be reached, I hereby give YFC permission to act on my behalf in seeking medical treatment by qualified personnel for my child in the event that such treatment is deemed necessary or advisable for my child's health, safety and welfare. I release YFC and all medical providers from liability in acting on my behalf in this regard in rendering such medical treatment.

## Release of Liability

I understand that participation in YFC activities is a privilege. In consideration of that privilege, I am signing this Release of Liability form on behalf of myself and/or my minor child who is participating in YFC activities.

I understand that by partaking in YFC activities, my child and/or I may participate in any number of activities, some of which include, but are not limited to, recreational activities and games. I understand that there are certain risks, whether such risks are known or unknown to me at this time. I further release YFC, including its directors, volunteers, employees and agents, from any claim that I, or my child, may have against them as a result of physical injury or illness incurred during participation in YFC activities.

In consideration of your accepting me or my child for participation in the above named program, activity or sport, I hereby, for myself, my heirs, executor and administrators, waive and release any and all rights and claims for damages that I may have against the above named organization and its agents, employees, representatives, successors and assigns for any and all injuries suffered by myself or my child that arise out of the above named program, activity or sport sponsored by the above named organization.

## Image Release

I, the undersigned, hereby give consent for the use of any video, audio or images of myself or my child for use by Campus Life or YFC including recruitment and fundraising efforts. I release Campus Life and Youth for Christ from any liability connected with the use of my or my child's picture or voice recording as part of any promotion, recruitment or fundraising program.

# Paintball Safety Guidelines

1. You must wear your mask at all times while a game is in session unless you are underneath the covered staging zone.
2. When you get out in a game you must put your barrel cover on your marker. Barrel covers must remain on markers at all times when not in the game.
3. Never try to fix your marker while in play. If you think your marker is not working correctly, bring it to the staging area to look at your marker. If you are renting a marker have an authorized paintball leader look at it.
4. If your goggles become fogged up or dirty, DO NOT try to clean them yourselves. Let an authorized paintball leader clean them for you.
5. Never look down the barrel of your marker.
6. Never pick up paintballs off of the ground and use them. (It will damage the marker)
7. Never unscrew your CO2 cartridge unless instructed to do so.
8. All Paintball Markers must be chronographed to less than 300 FPS (Feet per Second).
9. This waiver is mandatory to play at a YFC paintball function.

I, as the undersigned participant understand that while in attendance at the youth events of Campus Life, I am under the authority and direction of the leaders. I, also, understand that the use of alcoholic beverages, illegal drugs, tobacco products, fireworks, firearms, foul language, and abusive and lewd behavior are strictly prohibited. All events will be run within the standards set by the leadership of Campus Life. I understand that any variance from these regulations will result in immediate expulsion by asking my parents/guardians to pick me up immediately, at their expense, without refund. I understand that this event is sponsored by Youth for Christ and that it will have a spiritual emphasis. I have read this entire form and agree to comply with its contents and have discussed it with my parents/guardians.
